Philly Quesadilla

Serves 1

Ingredients:

- 1 Mission® 10" Heat Pressed Flour Tortilla (10420)
- 1 oz. Cheddar Cheese Sauce
- 1 1/2 oz. Pepper Jack Cheese , shredded
- 2 oz. grilled Flank Steaks , sliced
- 1 1/2 oz. grilled Green Bell Peppers and Onions
- 1/2 oz. Onion Rings, fried
- 1/2 tsp. Green Onion , chopped

Directions:

1. Layer all ingredients, covering half of the Mission® flour tortilla. Fold the other half of the tortilla over and press firmly together.
2. Carefully transfer the assembled quesadilla onto a heated and lightly buttered flat grill, set to medium-high heat. Let cook until cheese starts to melt and the bottom side turns a golden brown. Using a spatula, firmly press down on the top of the quesadilla. Turn quesadilla over and cook the other side until golden. Cut and serve.
