

## **Chopped Roasted Turkey**

## Serves 1

## Ingredients:

2 oz. vol. Olive Oil

6 each Whole Garlic Cloves, minced

2 Tbsp. Fresh Sage, minced

2 Tbsp. Fresh Thyme, minced

2 Tbsp. Fresh Rosemary, minced

1 Tbsp. Salt

2 tsp. Peppers

8 lbs. Raw Bone-In , Skin-On Turkey Breast

## Directions:

- 1. Pre-heat a convection oven to 275°F. Combine first 8 ingredients in a small bowl; rub this paste under the skin over the turkey breast, reserve a small amount to rub on the outside of the skin too.
- 2. Place turkey breast onto a roasting rack on a sheet tray, roast for 1 ¾- 2 hours or until internal temperature reaches 165°. Remove and rest for 20 -25 minutes. Remove both breast portions and chop into smaller bitesize pieces. Allow to cool in refrigerator and set aside for assembly.
