<b>Preparation instructions:</b>				
CORN TORTILLAS FOR FRYING: Shelf Stable: Store in a cool dry place.				
If stored under Refrigeration: Bring tortillas to room temperature 8 hours before use.				
Keep partially used bags closed, as tortillas will tend to dry if left open. Cut tortillas for chips, or fry whole tortillas, in a 350°F fryer for approximately 30-40 seconds or until bubbling stops and desired color is achieved.
